

HEDGE TRIMMER

Position	Hedge Trimmer
Type	Full-time (40 + hrs)
Company	Royal Tree Service
Location	Baie-D'Urfé, Québec
Start date	Mid-May or early June

Description of the Company

Royal Tree Service provides ISA-standard tree care throughout Montreal's West Island. It is the largest local tree service. Our employees are career-oriented arborists and tree professionals with a genuine interest in tree health, taking pride applying the safest and most efficient practices in arboriculture. The majority of our work comes from repeat customers and referrals, for whom impeccable customer service and respect for property is essential. Royal Tree Service maintains a positive and supportive work environment, sharing the work until the job gets done.

Duties

The hedge trimmer is a member of the hedge trimming and maintenance crew. He or she uses various power tools and ladders on a daily basis, and takes part in tool maintenance. This is a job for fit and motivated individuals who are comfortable with heights. This position is also very suitable for students.

Skills and Requirements

- Willingness to work 8-hour days in difficult weather conditions;
- Reliable and positive team player;
- Valid driver's license and mobile phone;
- Experience in landscaping or any other outdoor and physical work an asset.

Season

- Monday to Friday, mid-May or early June to September or October;
- Statutory holidays.

Salary and Benefits

- 15 – 25\$/hr, based on experience, skills and responsibilities (team leaders carry more responsibility);
- Onsite training;
- Possible production bonus, TBD.

At Royal Tree Service, we believe in opening opportunities for employees to advance in the industry and within the company.
