

GROUNDSMAN

Position	Groundsman
Type	Full-time (40 hrs)
Company	Royal Tree Service
Location	Baie-D'Urfé, Québec
Start date	April

Description of the Company

Royal Tree Service provides ISA-standard tree care throughout Montreal's West Island. It is the largest local tree service. Our employees are career-oriented arborists and tree professionals with a genuine interest in tree health, taking pride applying the safest and most efficient practices in arboriculture. The majority of our work comes from repeat customers and referrals, for whom impeccable customer service and respect for property is essential. Royal Tree Service maintains a positive and supportive work environment, sharing the work until the job gets done.

Duties

The groundsman supports the teams of climbing arborists, including handling the branches and logs, hedge trimming, stump grinding, use of grapple loaders, driving the trucks and heavy use of chainsaws. It also involves the use of ropes and rigging, as well as tool maintenance. This is a job for strong, fit and motivated individuals.

Skills and Requirements

- From recent arboriculture graduate upwards, or other relevant experience;
- Willingness to work 8-hour days in difficult weather conditions;
- Reliable and positive team player;
- Valid driver's license and mobile phone;
- Bilingualism (English and French) an asset but not required;
- ISA certification or Class 3 driver's license an asset.

Season

- Monday to Friday, April to December;
- Statutory holidays, potential summer breaks assessed on a case-by-case basis.

Salary and Benefits

- 15 – 35\$/hr, based on position, experience and responsibilities;
- Continuing education in all aspects of arboriculture provided throughout the season by ISA trainers;
- Benefits, bonuses and stipends.

At Royal Tree Service we believe in opening opportunities for employees to advance in the industry and within the company.
