

CLIMBING ARBORIST

Position	Climbing Arborist (several positions available, including one crew leader)
Type	Full-time (40 hrs)
Company	Royal Tree Service
Location	Baie-D'Urfé, Québec
Start date	March or April

Description of the Company

Royal Tree Service provides ISA-standard tree care throughout Montreal's West Island. It is the largest local tree service. Our employees are career-oriented arborists and tree professionals with a genuine interest in tree health, taking pride applying the safest and most efficient practices in arboriculture. The majority of our work comes from repeat customers and referrals, for whom impeccable customer service and respect for property is essential. Royal Tree Service maintains a positive and supportive work environment, sharing the work until the job gets done.

Duties

The Climbing Arborist takes part in tree health and safety assessment, pruning, rigging, takedowns, cabling, tool maintenance, groundsman duties and customer service. He or she uses various machines and may drive trucks.

The Climbing Arborist Crew Leader leads a three-person crew, as well as carrying out all of the above tasks.

Skills and Requirements

- Arboriculture graduate;
- Willingness to work 8-hour days in difficult weather conditions;
- Reliable and positive team player;
- Valid driver's license and mobile phone;
- Bilingualism (English and French) an asset but not required;
- ISA certification or Class 3 driver's license an asset;
- Five years experience as a climbing arborist (crew leader position only);
- Leadership experience (crew leader position only).

Season

- Monday to Friday, March or April to December;
- Statutory holidays, potential summer breaks assessed on a case-by-case basis.

Salary and Benefits

- 15 to 35\$/hr, based on experience, skills and responsibilities (28 to 35\$/hr for crew leader position);
- Continuing education in all aspects of arboriculture provided throughout the season by ISA trainers;
- Benefits, bonuses and stipends.

At Royal Tree Service we believe in opening opportunities for employees to advance in the industry and within the company.
