

CLIMBING ARBORIST

Position	Climbing Arborist
Type	Full-time (40 hrs)
Company	Royal Tree Service
Location	Baie-D'Urfé, Québec
Start date	March or April

Description of the Company

Royal Tree Service provides ISA-standard tree care throughout Montreal's West Island. It is the largest local tree service. Our employees are career-oriented arborists and tree professionals with a genuine interest in tree health, taking pride applying the safest and most efficient practices in arboriculture. Most of our work comes from repeat customers and referrals, for whom impeccable customer service and respect for property is essential. Royal Tree Service maintains a positive and supportive work environment, sharing the work until the job gets done.

Duties

Tree health and safety assessment, pruning, rigging, takedowns, cabling, tool maintenance, grounds person duties, customer service, use of various machines and driving trucks.

Skills and Requirements

- From recent arboriculture graduate upwards.
- Willingness to work 8-hour days in difficult weather conditions.
- Reliable and positive team player.
- Valid driver's license and mobile phone.
- Bilingualism (English and French) an asset but not required.
- ISA certification or Class 3 driver's license an asset.

Season

- Monday to Friday, March or April to December.
- Statutory holidays, potential summer breaks assessed on a case-by-case basis.

Salary and Benefits

- Junior Climber: 20 – 30\$/hr, based on experience, skills and responsibilities.
- Advanced Climber: 28 - 45\$/hr, based on experience, skills and responsibilities.
- Continuing education in all aspects of arboriculture provided throughout the season by ISA trainers.
- Benefits, bonuses and stipends.

At Royal Tree Service we believe in opening opportunities for employees to advance in the industry and within the company.
